Danielle Hopkins Earns Provincial Award

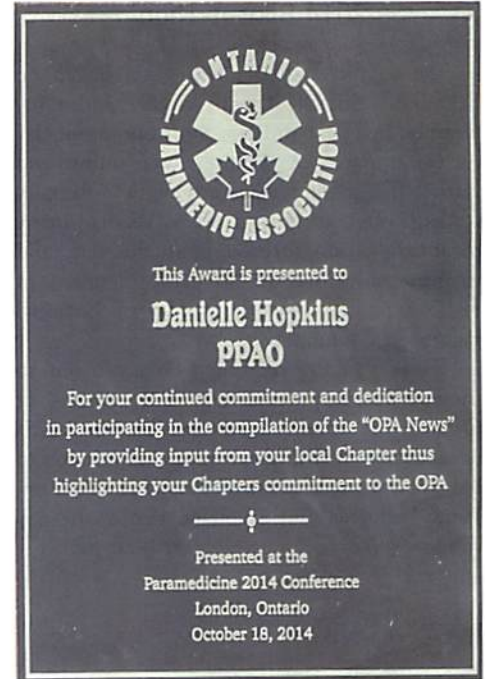

President Darryl Wilton would like to congratulate Danielle Hopkins, ACP (Director of Print Media) for earning the Ontario Paramedic Association's provincial Appreciation Award.

This award was provided by the OPA, in recognition of Danielle's continued commitment and dedication to the OttawaParamedics.ca e-Updates, the Ottawa Paramedic Year in Review as well as the national publication, "Canadian Paramedicine Magazine".

Danielle's literary contributions enable the Professional Paramedic Association of Ottawa to showcase our professional contributions locally, provincially and nationally.

Danielle worked hard to earn this distinction and I look forward to her continued career development and growth in paramedicine.

Please join me in congratulating Danielle for all that she does for Ottawa Paramedics.

2014 Bike-A-Thon!

The second annual bike-a-thon began on September 6th 2014 with cloudy and rainy weather, but that did not stop our event. By the afternoon the weather was sunny and warm. The market was busy with university students celebrating frosh week. We had many paramedic visitors throughout the day, and we were able to speak to many members of our community about the need for a National Paramedic Monument.

Thank you to everyone who came out to show their support and to the citizens of Ottawa who donated money for our much needed monument. Also a special thank-you to our volunteers, Suelana Taha, Christie Carey, Jamie Hvidsten and Stephane Perras, the day would not have been possible without you!

Christmas Parades

OttawaParamedics.ca would like to thank the Ottawa MedVents and students from La Cité Collégiale for volunteering in the Santa Toy Parades.
