Paramedic Golf Tournament, Record Breaking!

Rosemary Bentley has done it again folks. She raised over \$12,000 (so far) but now Rosie needs your help.

Rosie has been given six AEDs to sell and we need to ask ALL paramedics for leads on selling these life-saving machines. They are priced at \$1,500 each (no tax). This is an incredible deal!

We need to ask the members to help Rosie sell the AEDs because as soon as these are sold, the golf tournament will break a record at over \$21,000 for the HELP Fund!

This enables the HELP Fund to provide immediate support to events such as the Thomas Dunn Memorial and the Tactical Paramedic Incident.

Ottawa Paramedic Pride, What a Turn Out!

On Sunday August 24th Ottawa hosted the 29th Annual Capital Pride Parade.

It ended the hugely successful week of festivities and the parade marched down Bank Street to Festival Plaza at Ottawa City Hall.

We had huge involvement from the Ottawa Paramedics thanks to our event coordinator,

Paul Morneau. Our Director of Events, Ben Ripley, also ensured we have tons of brilliant photos to share with you.

PPAO #IceBucketChallenge

Toronto Paramedics called us out for the ALS #IceBucketChallenge.

President Darryl Wilton personally donated \$250 for being 2 ½ days late while Delta 2 team also doled out some serious payback for his tardiness.

The D Platoon Tech Services staff also came in an hour early to marinate coolers full of ice water. As EST Brent Campbell said, "That water was so _____ cold I couldn't even leave my hand in the cooler for a few seconds".

Public Defibs for Sale – PLEASE HELP

Rosemary Bentley and the HELP Fund have up to six defibrillators for sale at amazing prices.

The \$1,500 proceeds from each defibrillator sale will go to the HELP Fund (supporting the Tactical Paramedics & Thomas Dunn Memorial).

The Tactical Paramedic Incident has required over \$5,500 in support so far. During 2013, the Tom Dunn Memorial was very moving and required over \$4,000 in support. We are attempting to replenish resources and maintain the strength of the HELP Fund.

Your support would go to a great cause and generate a huge impact to these needs. Please share this information to help spread the word of the support needed and add a piece of equipment that saves many lives a year in public and private venues to a new well needed home.
