

YUKON EMS IS HIRING

PRIMARY/ADVANCED & CRITICAL CARE PARAMEDICS

Are you looking for an adventure with one of the most progressive EMS systems in Canada? Do you like the outdoors and want an excellent work life balance? Looking for a clinical challenge?

Yukon EMS is hiring staff for Whitehorse Operations!

What Yukon EMS Offers

- Progressive medical guidelines
- Comprehensive and continuous education
- High-fidelity simulation
- Top of the line equipment
- Critical Care Training in partnership with Creighton University
- ACLS/PALS/ITLS/NRP/CAMATA/STABLE in-house
- High-risk Obstetric/Neonatal/Pediatric Training through UMBC

New Advance Care Paramedics

Are you a new Advanced Care Paramedic and interested in flight? Yukon EMS has an 18-month long endorsement program for new Advance Care Paramedic grads to prepare them for the aeromedical environment after completing an in-depth orientation program.

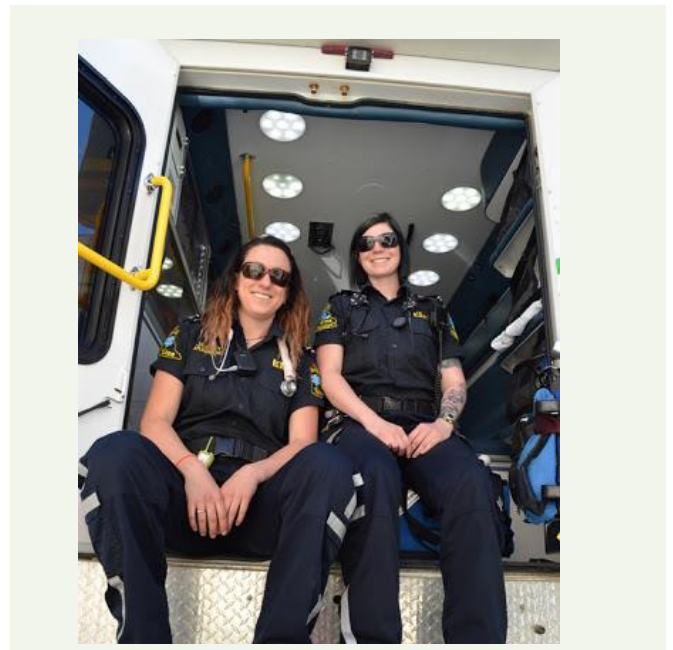

Salary: \$41.35-\$47.96/hour + Shift Premium

Discover what makes the Yukon unlike any other place in the world, capturing the hearts and imagination of people from around the world.

The Yukon territory measures in at a whopping 483,450 km² (that's about the size of Spain) and is situated east of Alaska, between British Columbia and the Arctic Ocean.

Yukon EMS provides services throughout the Yukon, including EMRs in communities, Primary Care Paramedics in Whitehorse, Watson Lake, and Dawson City, and Air Ambulance Transport from Communities to Whitehorse and to southern destinations.
