

Primary Care Paramedics/Advanced Care Paramedics

Location: Northern Ontario

Primary Care Paramedics:

Calian Health is currently seeking primary care paramedics to work on assignment in Indigenous communities in Northern Ontario on a casual contract position. Clinic settings can range from very small to large – have to be prepared to work in a variety of settings. Typically 2 week assignments. Most of the team does 2 weeks on, 2 weeks off.

QUALIFICATIONS:

- Successful completion of an Emergency Care/Paramedicine program recognized by the Ministry of Health in the province of Ontario.
- Current certification as A-EMCA is required
- Certification as a Primary Care Paramedic in the Province of Ontario is required.
- Valid and current CPR certification required.
- Valid and current BLS Certification is required. Having an ACLS in addition to the BLS certification is an asset.
- Minimum one year paramedic experience or 1500 hours of verified experience is required.
- Valid Driver's License is required.
- You must also have the ability to work under stressful situations and exercise sound judgement in all emergency care situations.
- Ability to identify patient treatment needs through assessment and provide appropriate care are key for this role.
- Excellent level of written and verbal communication.
- Must be willing to complete attestation of COVID-19 vaccination as part of the role.
- Valid PSPC Reliability Clearance is required for this role.

Advanced Care Paramedics:

Calian Health is currently seeking advanced care paramedics to work on assignment in Indigenous communities in Northern Ontario on a casual contract position.
